LINDA McALLISTER

is hereby enrolled as a lifetime member  
in the  
Renowned Society of Redtailettes

Linda McAllister has, while assigned to the VC-8 O'Wives, assembled a long list of dubious honors, only the highlights of which are mentioned below.

Linda, with her superb creative talent, transformed the Rosie Roads O'Club into a Christmas fantasy even at the ultimate expense of her own housekeeping. Of course, none of us were certain how long you planned to stay in Puerto Rico since you never really unpacked. But then again, it's not everyone who has a freezer in their livingroom.

Building a grandfather's clock is a commendable project, especially since it has served as such a great playhouse for Toad. But did you really intend to ship him home in it?

Sundays at Rosie Roads were your big days for conventional family life...an outing to the Mini-Mart for a New York Times and THREE Heinekens...one each for Daddy, Mommy, and Toad?! Then it was home again to give your car it's weekly wash and wax. With such a history of dotting car care, why else would you have had your car painted one week before leaving Rosie Roads?

Although you've been heard muttering about loose bowels and babies, your Redtailette would be incomplete without mentioning the hours you have logged on the Capehart byways airing Toad...a familiar figure that will be missed.

Signed,

*Jan Beatty*
